ORDER¹

The Respondent's Motion for Summary Judgment is denied. The Respondent has failed to establish that there are no genuine issues of material fact warranting a hearing and that it is entitled to judgment as a matter of law.²

Dated, Washington, D.C., December 17, 2018.

¹ The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

² Because we have denied the Respondent's motion for summary judgment, we find that the General Counsel's motion for reconsideration of the rejection of its untimely opposition brief and its request to file a surreply brief are moot.
